

October 26, 1993

To Whom I May Concern:

Andy's Cleaning Service has been so exceptional in their performance that when I was given a second theater to oversee, I made sure that his was the cleaning service to come with me.

His service was recommended to me and now I can easily recommend Andy's Cleaning Service to anybody who is in need of a professional, punctual and responsible cleaning company.

Sincerely,

A handwritten signature in cursive script that reads "Bill Mann".
